MultiCompact until 2006

Compact Notebook Case in Multi-Design

An efficiently segmented case for the safe transport of your mobile computing equipment. The effective cushioning surrounds your Notebook and provides for maximum safety. The Notebook compartment is lockable and includes a Notebook fastening strap. Mobile phone, pens, business cards as well as documents are always handy in their designated holders in the front pocket. The workstation in the case interior as well as the document compartment on the rear side offer storage room for mobile accessories. The soft and specially designed carrying handle provides for comfortable carrying. The cushioned shoulder strap as well as the trolley fastening strap keep your hands free and make transport a pleasure. MultiCompact is made from robust 900 D Polyester. The front pocket as well as the flap have reinforced edges.
